

Michigan Specific CHIT Sheet Course Category Guidance

Course Name	CHIT Sheet Category MI
Airway Ventilation Oxygen	Airway/Ventilation
Capnography	Airway/Ventilation
Oxygenation	Airway/Ventilation
Ventilation	Airway/Ventilation
Initial Assessment	assessment
Acute Coronary Syndrome - ACS	medical
Allergic Reactions - Immunological Emergencies	medical
Behavioral Emergency Considerations	medical
Carbon Monoxide - Pulse CO Oximetry	medical
Central Nervous System (CNS) Injury	medical
Congestive Heart Failure CHF	medical
Diabetic Emergencies - Endocrine System	medical
Drug Emergencies	medical
Environmental Emergencies Hot & Cold	medical
Fluid Resuscitation	medical
OB Emergencies	medical
Opioid Overdose Part 1	medical
Opioid Overdose Part 2 Fentanyl	medical
Poisonings	medical
Post Resuscitation Care	medical
Pre Hospital Stroke Care	medical
Pre Hospital Stroke Care 2	medical
Seizures	medical
STEMI Care	medical
Taser and Agitated Delirium	medical
Ventricular Assist Devices	medical
Crew Resource Management	operations
Documentation The PCR	operations
Mass Casualty Incident Overview	operations
Nerve Agent Incident	operations
START Triage, JUMP START Triage	operations
Trauma Triage CDC Guidelines	Operations
See Something? Say Something!	Operations: Emergency Preparedness
Pediatric Respiratory Emergencies	peds medical
Pediatrics Croup	peds medical
Sudden Infant Death Syndrome SIDS	peds medical
Ambulance Safety	Prep
At Risk Populations	prep
Bloodborne Pathogens	Prep

Common Medications	prep
Course Name	CHIT Sheet Category MI
Coronavirus - COVID-19 Response	prep
EMS Provider Hygiene, Safety and Vaccinations	prep
EMS Research	Prep
Evidence Based Guidelines	Prep
Medication Delivery	Prep
Pain Management	Prep
Provider Assisted Epi Pen	Prep
Strategy for a National EMS Culture of Safety	Prep
Trauma - Assessment and Management	Pt Assessment
Autism Awareness special needs	Special Considerations
Geriatric Assessments and Falls	Special Considerations
Geriatrics 1	Special Considerations
Geriatrics 2	Special Considerations
Pediatric Transport	Special Considerations
Special Healthcare Needs	Special Considerations
Pediatric Assessment	Special Considerations (Peds. Assessment)
Pediatric Trauma	Special Considerations (Peds. Trauma)
Hemorrhage Control	trauma
iTClamp Bleeding Control Device	trauma
Trauma - Blast Injuries	trauma
